DEDICATION

The beginning of any organization is of paramount value. Throughout his writings St. Francis de Sales stresses the importance of beginnings. A sturdy foundation insures a lasting and firm edifice.

The living organism, which is St. Francis de Sales High School was singularly blessed by the appointment of Father William Ward as its first Principal.

Possessing a keen awareness of the problems of Catholic Secondary Education, this zealous priest never hesitated to do everything possible to set high standards of spiritual, academic, and athletic excellence. The standards he set were high and exacting but the goal he had in mind was more than the mere acquisition of knowledge. Exemplifying the thought of the Church he was always aware of the need for learning and sanctity. He knew that the parents of his students wanted them to be trained for eternity.

In September of 1960, Father was transferred to Philadelphia as Superior of the Northeast Catholic Oblate Community.

We, the heirs of his wise guidance, sympathetic understanding, and priestly gentlemanliness, dedicate the 1961 ACCOLADE to Father Ward.

Ever since the Romantic Age when "kighthood was in flower," knights have been synonymous with Chivalry. Displaying their gallant skills through loyalty, courtesy, and munificence, they proceeded to be faithful to the Church, and brave and honorable in their dealings. They were the protectors of women, defenders of the weak and poor, and the criterion of Christian ideals. Thus, it is our medieval predecessors who established the tradition which we, as knights of St. Francis, must uphold.

As Freshmen we paralleled the Page, the first step toward kighthood. Just as the page, we acquired the fundamentals in our quest for truth.

Then, as we advanced to become Sophomores, our duties as squires began to include the social graces to a fuller extent.

Next, we, as Juniors, were the yeomen of St. Francis de Sales, preparing ourselves for the climax of our secondary education.

Finally, emerging as Seniors, we attained the distinction of being true knights of St. Francis, eager to uphold the dignity of kighthood.

The Oblates of St. Francis de Sales in the United States have specialized mainly in the education of youth. As one considers the life of St. Francis de Sales this apostolate fits in well with his teachings and doctrines. He had such a high regard for knowl-

edge that he was wont to refer to it as an eighth sacrament. The primary emphasis was always to be placed on the moral and spiritual formation of the student. Facts are to be taught as a prelude to those acts that will characterize the individual as a force

Mere information was never to be given simply for its own sake. Every class and every assignment would be geared to the eternal end of the recipient. From this mass of information a Christ-centered for-

mation should result. So, the Oblate of St. Francis de Sales is not a mere amasser of facts but a builder of saints.

The whole day of the Oblate teacher is to be centered around the welfare of the students entrusted to their care. He urges them to

draw from the Sacred Heart, the Mass, their Visits to the Blessed Sacrament, their meditation, their Office, and their Rosary those fundamental values that their pupils will find in them which will enable these youths to walk in the way of God fearlessly.

of youth was a very delicate matter. Such a great and noble undertaking could not be taken too lightly. Otherwise, the whole purpose of training would cease to achieve its goal and would only result in complete confusion. Therefore, the Oblates

have held on to the spirit and practicality of the Gentleman Saint of Paradise. The quest is ever the same: SANCTITY by fidelity to the duties of the individual's state. In an era which has gone for the popular and eye-catching, such values do not sound

too practical. The test of a system is in its achievement. In the important task of the education of youth, the educator cannot rely on general and vague terminologies. Truly, the child produces the man of later years. The training period is all important, too important for a will of the wisp system that may re-

sult in the loss of the child's eternal happiness. Fortunately, the Bishop of Geneva provided his followers with a system that was safe and plain. His way would be within the reach of all

Father Welch distributes Holy Communion
at the early Mass

The student at St. Francis is ever aware of a proper and eternal set of values. The whole curriculum is centered around a strong core of Salesian Spirituality. He is urged to realize the proper perspective he must acquire if he is to become a saint.

To better enable him to reach his goal, the holy Sacrifice of the Mass was a daily feature of his school

life. In October and May, Benediction and devotions to Our Lady closed each day. The opportunity for Confession was facilitated by the assignment of the Faculty as Confessors each day. The highlight of each year was the Annual Retreat, a chance to evaluate his progress and direction.

VARSITY FOOTBALL — 1960: Left to right, **FRONT ROW** — John Kersch, Jim Reece, Tom Marciniak, Chris Krauser, Mike McGoldrick, Gary Stechschulte, Dave Socha, Denny Bagrowski, Pat Higgins, Terry Brown, Tom O'Leary, Chuck Smith, Chuck Poffrath, and Chuck Carozzi. **SECOND ROW** — Bob Huss, Bill Sloan, Vince King, Bob Fike, Jim Burnor, Dick Walinski, Tom Webb, Tim Treter, Ron Koproski, John Smythe, Jim Huff, and managers, Jan Chlebowski, Mike Beckham, and Bill Zouhary. **THIRD ROW** — Roger Blank, Chuck

Preas, Tim Toffler, Don Fletcher, Pano Comis, Marty Aubry, Tom Welch, Rick Cutcher, Paul Gorman, Tim Harshman, Jim Rogowski, Coach Don Vigh, Head Coach Richard Mattingly, and Coach James Cameron. **BACK ROW** — Mike Nicholson, Arnold Elzey, John Kersch, Ed Poczekaj, Hank Bergman, Jerry Johnson, Joe Coyle, Ed Cutcher, Jim Jablonski, Jimmy Reed, and Coaches Thomas Marcini and Dennis Wilkie.

The year 1960 brought to St. Francis a new head coach, Richard Mattingly, and two new assistants, Dennis Wilkie and James Cameron. This gain, however, could not hide the fact that seventeen lettermen had been lost. This drain practically eliminated the former starting offense, forcing the Knights to enter this season with an untried offense.

After a tremendous triumph over perennially tough DeVilbiss and two equally brilliant victories over Bedford and Rogers, the Knights began to bog down.

Stunned by a state-ranked Chaminade team, the Knights were to drop four more before crushing Waite in the season's finale.

But this is not the complete story. From the Roger's game until the Central clash, the ranks of the squad were decimated by the most incredible succession of injuries and bad breaks that one team could suffer. None of the five defeats was separated scorewise by more than one touchdown.

TIGERS TAMED BY KNIGHTS

ST. FRANCIS 13 — DEVILBISS 6

The Knights' opening game proved to be a tight defensive battle for the first half. However, the Tigers did manage to penetrate the St. Francis defense for one quick score.

Behind by six points at the half, the Knights galloped for their first tally after a DeVilbiss surge fell short. Jimmy Reed climaxed a 64 yard march, scoring from the two. Kelleher converted. With three minutes remaining, Jerry Johnson recovered a fumble on the Tiger eight, and three plays later, powerhouse John Smythe plunged over the goal.

Co-captains Ed Poczekaj and Tim Harshman accepted the Hilton Murphy Sportsmanship Trophy for the school. The Tigers selected Dennis Bagrowski as the St. Francis player best exemplifying the sportsmanship spirit of the game.

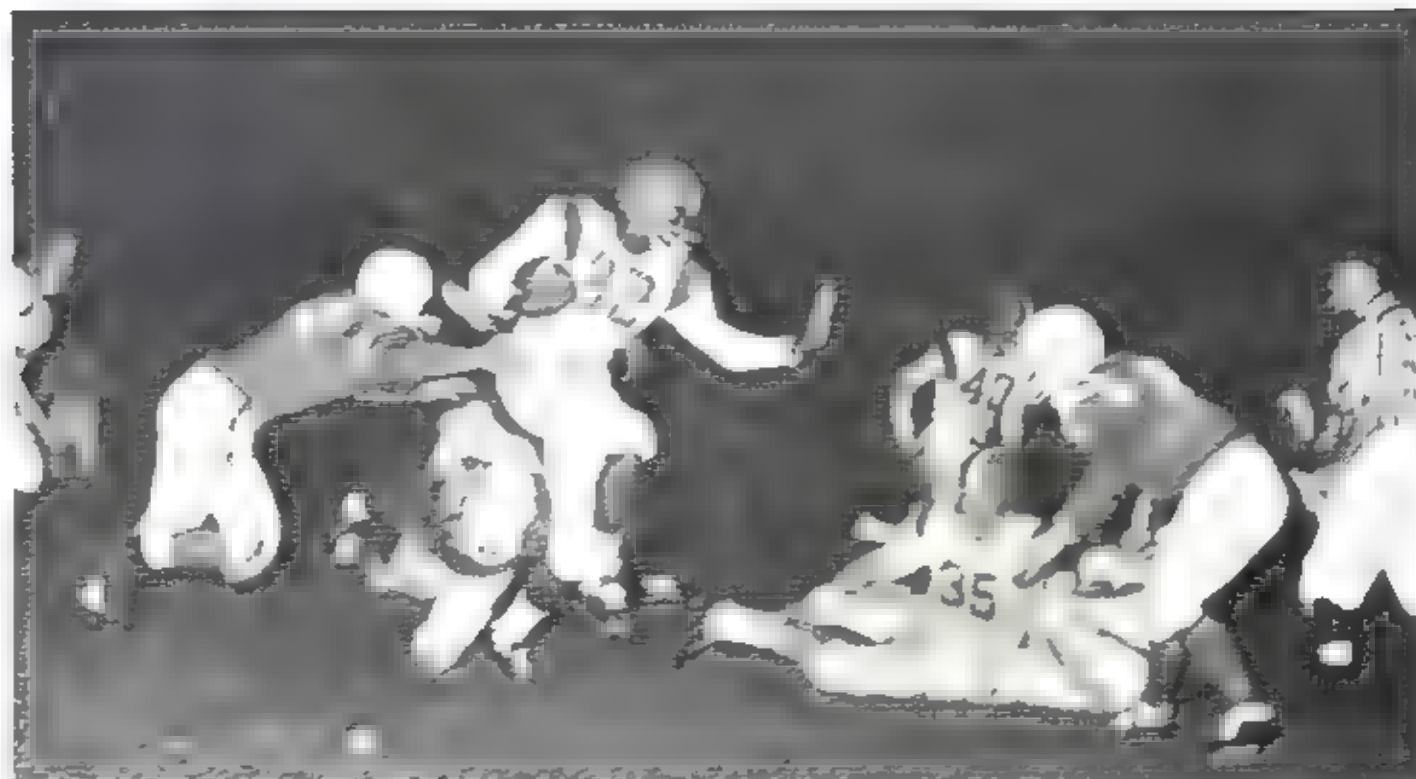

To the victor belong the spoils.

Fullback Jimmy Reed slips through well-prepared hole in Kicking Mules' line.

ST. FRANCIS 48 — BEDFORD 0

In the initial home encounter at the Glass Bowl, the Knights simply outclassed the Bedford eleven. St. Francis emptied its bench of 48 men, nine of whom tallied points, and completely dominated play throughout the entire contest.

The St. Francis gridders racked up twenty first downs, to the Kicking Mules' total of six. The Knights ground out 508 yards to 26 for the opponents. Dennis Bagrowski led the St. Francis scoring with twelve points, on touchdown runs of 45 and 8 yards. However, the consistently fine work of the defensive platoon guaranteed the victory.

ST. FRANCIS 20 — ROGERS 6

Numerous punt exchanges featured the first half of brutal play. The lone score came with but 14 seconds remaining in the half, when a St. Francis pass was intercepted and toted 45 yards through a stunned Knight team.

After halftime, senior stalwarts Bill Sloan, Jim Huff, and Jim Jablonski continually opened the Ram line for shifty Terry Brown, who climaxed the drive with a 35 yard touchdown sprint. Kelleher converted.

The fourth quarter saw the Knights charge deep into Rogers territory, with Smythe tallying from the 9, and Kelleher converting. Late in the period, a beautifully executed double reverse sent Denny Bagrowski from the 20 through the Ram secondary and over the goal for the final score.

CHAMINADE SNAPS KNIGHTS 11 GAME STREAK

CHAMINADE 19 — ST. FRANCIS 14

Before a homecoming crowd, an injury laden St. Francis team was outscored by a highly spirited Chaminaade eleven.

The first half was all St. Francis. A Tom Welch run on an option right set up a 4 yard score for Denny Bagrowski. Bagrowski also ran for the extra points. Late in the half, Terry Brown returned a Chaminaade punt 48 yards for a touchdown. The kick failed. But Dayton then began to gain yardage up the middle, and scored by that same process. Their kick was good.

After halftime, the Eagles of Chaminaade quickly tallied on a 43 yard punt runback. The conversion attempt was blocked, and the Knights still led 14-13. The final touchdown of the game was set up on a punt return, when a penalty gave Chaminaade the ball inside the Knights' ten. The Eagles then skirted left end for the winning points.

LIMA CENTRAL CATHOLIC 15 — ST. FRANCIS 12

Soon after the Knights kicked off, a series of penalties allowed Lima to penetrate deep into St. Francis territory. A 15 yard double reverse sent a Lima player through the line and into the end zone. The conversion was good.

In the second quarter, the Knights' Brown sparked a long drive which fell short due to a fumble. But Bob Huss alertly intercepted a Lima pass. Bagrowski powered to the Lima 13, followed by Tom O'Leary's ganging the left side for the touchdown. The two point try failed.

In the third quarter, Brown tallied on a 46 yard reverse. The kick was blocked. But Lima's T'Birds quickly bounced back with a forced drive, climaxed by a 1 yard TD plunge.

John Smythe, Chuck Preas lasso a Cowboy.

SCOTT 6 — ST. FRANCIS 0

Mass injuries and flu in the Knights' squad gave the Scott Bulldogs a victory over St. Francis 6-0.

The lone touchdown of the game was scored by Scott's Sam Price in the fourth quarter. The Scott secondary had just intercepted an over-the-line pass by Tim Toffler on the Knights' 49, and returned the ball 10 yards. Price broke over tackle and eluded the Knights' secondary for the touchdown run. The attempt for the two point conversion, a pass, failed.

Roger Blank recovered a fumble in the end zone, dropped by Price, for a touchback. Most of the St. Francis offensive running was handled by Terry Brown and Jimmy Reed.

LIBBEY 18 — ST. FRANCIS 12

Disaster struck in the final seconds for St. Francis fans as the Libbey Cowboys corralled the Knights 18-12.

The first quarter was dominated by the Knights, who, sparked by the hard running of Terry Brown, tallied after a 74 yard drive. Brown did the honors, but the kick failed.

In the second quarter, Libbey penetrated deep into St. Francis territory, and scored on a left end run. The conversion try was blocked. Seconds later, Terry Brown took the kickoff on the Knights' 15, and jetted up the sideline for an 85 yard score.

After intermission, the Cowboys promptly forced the tying score with a long drive. The Knights received the kickoff and gambled to win. Driven back deep into their own territory, with seconds remaining, the Knights attempted to pass, but the Libbey defense jarred the ball from the quarterback's hands. The ball scooted into the end zone, where it was covered by a Cowboy for the winning points.

CENTRAL 14 - ST. FRANCIS 8

Before a crowd of 6,700 fans at Waite Stadium, The Central Irish avenged their previous 28-0 defeat by a 14-8 victory over an enthusiastic Knight squad

The first half was a grim defensive battle, with neither team sustaining a drive

Soon after the second half kickoff, Terry Brown intercepted a Central pass, and returned it deep into Irish territory. Brown then banged through the center of the line for a touchdown. John Kelleher drove for the two point conversion

Central's aerial attack now caught fire, sending them into Knight territory. Pass interference by St. Francis put the Irish on the 4. A plunge over the Irish right side scored the touchdown, but the conversion attempt failed.

The fourth quarter saw Central click on a 26 yard TD pass. A two point conversion completed the games scoring

By their 14-8 victory, the Irish had succeeded to give the "Irish Knight" a temporary home on Cherry Street

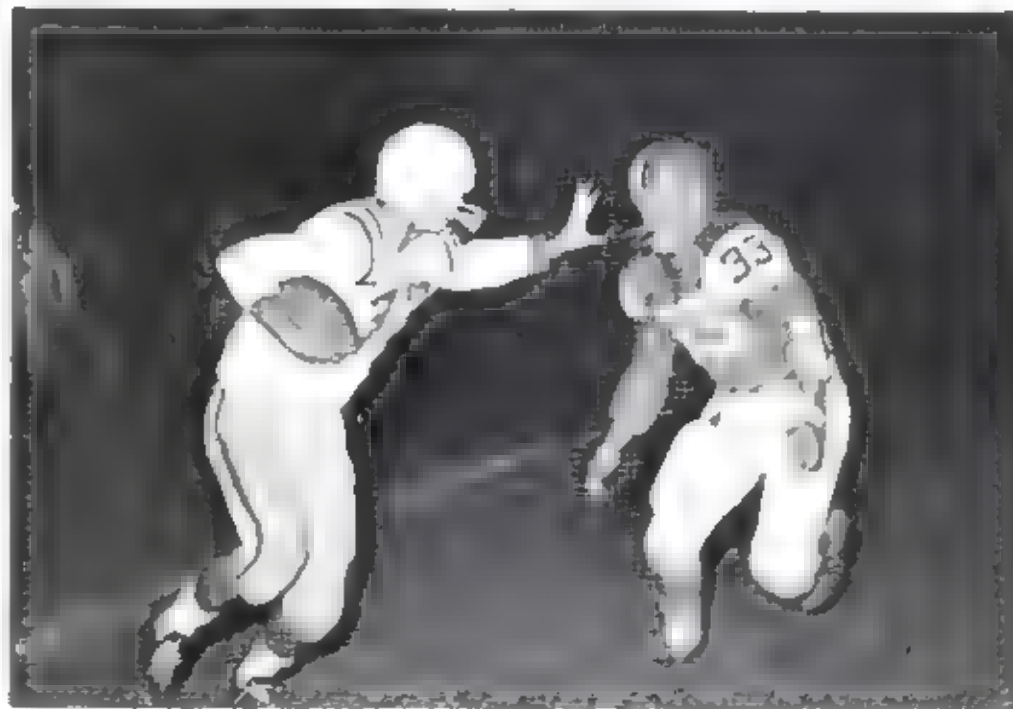

ST. FRANCIS 32 — WAITE 6

St. Francis closed its season in a grand fashion by overpowering the Waite Indians 32-6.

The first half featured two St. Francis touchdown drives with fullback John Smythe garnering both tallies.

The third period saw the Knights explode for two touchdowns. Smythe scored his third of the evening, set up by the end runs of Brown and Bagrowski. The second came on a screen pass from quarterback Tom Welch to Denny Bagrowski. Carlozzi converted.

In the final period, the Indians penetrated St Francis' pass defense for their lone score, but a pass for two points failed. The Knights sustained another TD drive with Jimmy Reed plunging over for the tally. Chip Carlozzi's kick was good.

1960-61

Coach Harold Mouch's edition of Knight roundballers proved to handle themselves exceptionally well under the intense pressure of interschool competition. They were in themselves an example of the productivity of the lightweight and freshmen basketball programs. Coach Mouch developed a well balanced nucleus about which future

INTRAMURALS

For those boys not participating in varsity or interscholastic sports, the intramural program provides the necessary physical education in our curriculum. It is a natural outlet which all need in order to balance our mental and physical facilities, and thus help complete

the growth of the whole man.

Under the capable direction of Fr. James Sottek, St. Francis students now participate in golf, tennis, chess, football, basketball, track, ping-pong, bowling, and softball.

Matmen — Brain and Brawn

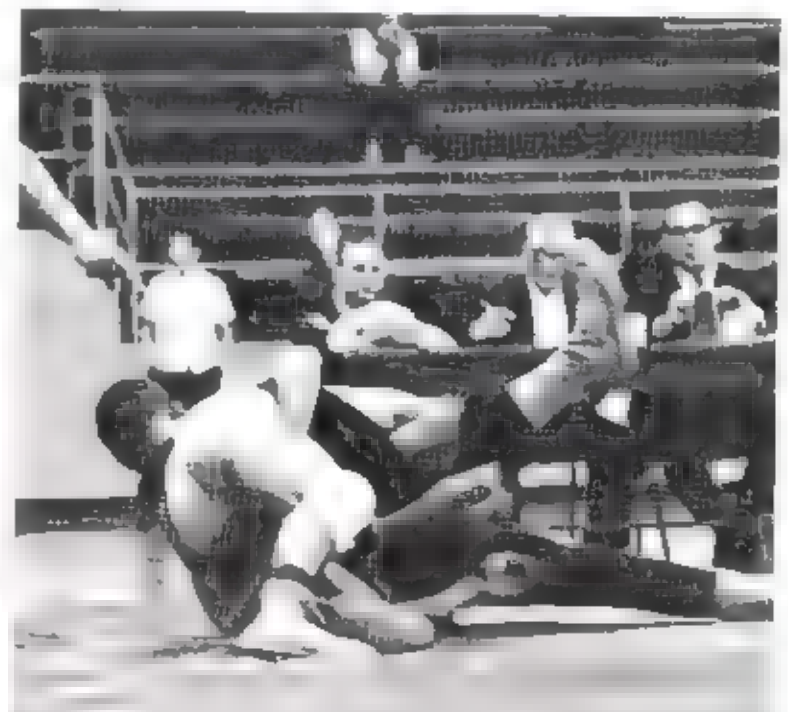

The 1960-61 edition of the St. Francis de Sales wrestling team turned many spectacular performances on its way to a fine 8-1 season. Under the excellent coaching of Richard Leffler and Jim Cameron, thirty-five Knights worked long, hard hours to gain this superb record. Although the team was impaired by injuries, its members never stopped hustling and as a result defeated several highly touted teams including Rogers and DeVilbiss. The future of the grapplers remains bright since but four boys will be lost through graduation.

The fine sportsman-like conduct along with the perseverance of the participants, has made this sport even more popular in its second year at St. Francis.

Because of the effort of the wrestlers themselves, the expert advice of the coaches, and Father Gillespie's admirable guidance this sport is destined to achieve even greater heights in the future.

CLASSES OF 1962

Left to Right: James Elliott, John Straub, William Lynch, Lucien O'Kelley.

Besides our academic endeavors, we, the Knights of St. Francis, vie in extracurriculars constantly trying to improve ourselves, both socially and culturally; always striving to model the ways of knighthood.

CULTURAL

D R A M A T I C S

The usual high caliber of dramatic entertainment was again upheld by hit presentations. The Spring offering was STALAG 17, while THE TEAHOUSE OF THE AUGUST MOON introduced the Winter season. In keeping with the desire to meet the needs of the whole student, this important activity is emphasized as a preparation for the future. Fr. Walter Dean is responsible for the continued excellence of these St. Francis productions. The long hours spent in mastering lines and proper

diction are aimed primarily to teach the student actors the importance of communicating beauty and truth to others. The program is devised to train an articulate laity. The long and dominant influence of the Church as a sponsor of good theater is continued as the curriculum uses all possible means to prepare the student of this important century to take his rightful place as a mold of men's thinking.

STALAG 17

May 13 and 14 provided the dates for the successful presentation of "Stalag 17." This melodramatic comedy was well adapted to the talents of Father Dean and his male thespians. The humor and laughs of the prisoners did not tax the minds of any spectator as the cast included a widely varied cross section of the armed forces

"Stalag 17" — The cast of this production included: Ed Poczekaj, Tom Welch, Frank Thompson, John O'Shea, Paul Harshman, Joe Geha, Mike Szolo, Bill Webb. Coordinating manager was Bill O'Connell. John Murphy controlled the background music while Dan Degan never allowed his subjects to escape his searching light. Of the many incidentals that had to be obtained, Father Dean was thankful to Michael Cassay, Bili Mies, and Paul Kochanowski.

STUDENT COUNCIL

Little is known of the tremendous work engaged in by our Student Council, who, working in conjunction with the school staff, gives the students a medium through which they may voice their opinions. Under the direction of Fr. Warren, the Student Council functions solely for promoting the general student welfare

Besides being the official governing body for the students, the Student Council plans and conducts numerous other activities. Our Homecoming Festivities, Color Day and our various dances would probably never materialize if it were not for the efforts of the Student Council

STUDENT COUNCIL OFFICERS; Vincent King, Secretary; William Bracy, Treasurer; William Sloan, President; Theron Brown, Vice-president.

MEN OF THE YEAR

The men of the year are chosen in order to fittingly recognize the contributions they have made both academically and in extra-curricular activities. Sometimes the behind-the-scenes endeavors are not too glamorous but nevertheless are important for the harmonious development of an efficient and motivated system of education based on a primacy of values. Thus, the whole picture is seen and not just the highlights nor the shadows.

JAMES OLSZEWSKI has maintained a high scholastic average and has been a quiet but untiring worker on Dance Committees and Student Council sponsored activities. Student Council President WILLIAM SLOAN, member of the Football Team, Baseball Team, and consistent honor student has a penchant for mature deliberation and accomplishment. JOHN WEGLIAN sparked many a dramatic presentation and has been a mainstay of the Debating Team while maintaining a high scholastic grade. The top scholar of the class of 1961 is JOHN SCHAAL who has also been a member of the Debating Club. JAMES DETTINGER has consistently displayed a sense of school spirit in his willing service to all school activities and in his position as Treasurer of the Senior Class. A newcomer in his Senior Year, THOMAS KOSLOVSKY has made his presence felt especially as the hard working Editor of the ACCOLADE. The allround achievements of JAN CHLEBOWSKI attest to his choice. He ranks high academically and has served as Football Manager, a member of the Debaters and the Accolade staff, and President of the DeSales Academy of Science. TIMOTHY HARSHMAN has been outstanding in Athletics and served as Class Representative on the Student Council. RICHARD WALINSKI, the President of the Senior Class, has been a member of the Varsity Football Squad for three years and has been a big help to the Athletic Department as a statistician. THOMAS WELCH, a consistent honor student and a Varsity Football Player for three years, was President of his Class in Freshman and Sophomore years and has done well in both Dramatics and Debating, always striving to educate the whole man. Another student athlete is LANCE KRAJEWSKI who played varsity Baseball and who has consistently been an honor student and the Sports Department man for the ACCOLADE. In keeping with the emphasis of Salesian education, these men are singled out for distinctive contributions to the complete and varied picture of an educated gentleman.

GRADUATION

The highlight of the student's four years at St. Francis is the rewarding night of graduation. Although the actual event is short as measured by time, the intense preparation leading up to the occasion is demanding and exacting. The development of the whole student is necessary in order to prepare him to take his place in society and eternity. There can be no place for half-way measures or for a lessening of required subjects. The attainment of this coveted honor is not to be regarded lightly nor as a mere ritual. The school signifies by the awarding of the diploma that the recipient has merited his distinction and has shown his capability in a well rounded program of curricular and extra-curricular requirements. To build a man is no small success and the effort and care expended can never be too great. The graduate of St. Francis goes forth to win a world for Christ by his example and dedication to an all around excellence

IN CONCLUSION . . .

As the fruits of our work ripen and the finishing touches are put on this, the fourth edition of the *Accolade*, we, the staff, can give a sigh of joy and relief. For now, along with the cherished memories of our final year at St. Francis, we also have the many joyful and humorous remembrances of the hours and days spent compiling this journal of our Senior year. We can now leaf through previous year books and appreciate the long tedious hours of compilation, research, disappointments, and redaction. We only hope that you, as you digest our "magnum opus," will appreciate it as much as we do.

Laboring tirelessly and unselfishly was, firstly, our editor Tom Koslovsky, who made the publication's room his home away from home. Concerned with every part of the yearbook, Tom did every thing from laying out pages and writing copy to taking sport's pictures.

Rekindling the vivid sports games and activities from bygone days was Lance Krajewski, who very ably accomplished this demanding task.

Our dramatic's section is the work of Bob Meyers, assisted by Tom Pletz and Jan Chlebowski, who also contributed copy and layouts. Our chief copy man was Bill Mies, whose hand scribbled a plethora of words.

A tremendous amount of typing was produced by Jim Martin. Jim Haas and Vic Zarichny of the Lance Staff were our Rembrandts, contributing many useful works of art.

The pictorial coverage was shouldered by Mr. Richard Greene of the Toledo Blade and our own Tim O'Reilly and Fr. Bananiewicz.

We apologize to all those we could not mention specifically, and especially to the Honor Society, who, through no fault of our own, were not given a place in this yearbook. Finally thanks to Fr. James O'Neil, our Moderator, who had the patience to guide us in this undertaking.

But we are most thankful to our Lord who constantly guided and gave us the inspiration to continue earnestly and with perfect zeal.
